

Skeiðslýsing Course description

Autumn 2016

Skeiðsnummar Course number	2496.16	ECTS ECTS	5,10,15	Ábyrgd Contact	Lau Blaxekjær
--------------------------------------	---------	---------------------	---------	--------------------------	---------------

Heiti <i>Title</i>	Green Student-House project
Endamál <i>Aim</i>	This course will offer students hands-on experience with a sustainability project in connection with the university's Green Student-House (also called Lindberg's House). The aim of the course is to give students experience with planning and carrying out a self-defined sustainability project (5, 10, or 15 ECTS points) and placing this in a larger context of transformation of Faroese society to become more sustainable.
Innihald <i>Content</i>	The course content is divided into three parts: 1) Classroom discussions of academic readings about sustainability and project management accounting for 25% of the time. 2) The project, which should be a self-contained project no longer than 3 months, accounting for 50% of the time. And 3) a communication product about the project which should be made accessible on the Green Student-House webpage, accounting for the remaining 25% of the time. 5 ECTS points equal 120 working hours, 10 ECTS points equal 240 working hours, and 15 ECTS points equal 360 working hours.
Læru- og undirvísingarhættir <i>Learning and teaching approaches</i>	Classroom discussions will introduce different theories and approaches to sustainability and project management, and discuss the practical application and progress of the individual projects.
Próvtøkuháttur <i>Assessment method</i>	Students will be assessed based on the communication project and an oral examination at the Green Student-House where the student explain and possibly demonstrates the project.
Læruúrtøka <i>Learning outcomes</i>	At the end of the course the students will be able to: <ul style="list-style-type: none">• Describe and discuss different approaches to sustainability.• Apply sustainability in practice.• Demonstrate skills in project management.• Present academic reflections about own project and transformation of Faroese society to become more sustainable.
Fortreytir <i>Prerequisites</i>	Bachelor degree or equivalent.

Lestrarlisti <i>Bibliography</i>	5 ECTS points equal 400 pages research literature in English and 100 pages empirical literature. 10 ECTS points equal 800 pages research literature in English and 200 pages empirical literature. 15 ECTS points equal 1200 pages research literature in English and 300 pages empirical literature.
Próvdøming <i>Examination</i>	Internal.
Próvtalastigi <i>Marking scale</i>	12,10,7,4,02,00,-3 (A,B,C,D,E,F,Fx). A,B,C,D,E,F,Fx (12,10,7,4,02,00,-3)
Stig <i>Level</i>	Master.
